WORK EXPERIENCE

IBM Hellas, Athens, Greece
Administration to Project Management Office
Oct 2022 – Sept 2024

- Allocating and planning of consultants and developers mostly in SAP projects after processing requirements sent by customers and project managers.
- Claiming and monitoring weekly hours spent on projects, using excel's spreadsheets.
- Creating Purchase Order requisitions, and other activities based on company's procedures.
- Sustained constant communication via Slack and email.

OTHER EMPLOYMENT

Freelance as a Violin Teacher, Athens, Greece
Sept 2019 – Oct 2022

- Created and implemented one-to-one music lessons, fostering a connection between younger children and classical music, via violin lessons and theoretical music models

PROFESSIONAL SKILLS

IT Skills: Python, Java, JavaScript, HTML, CSS, SQL / mySQL, Figma, MS Office Excel (Pivot Tables, VLOOKUP, Formulas), MS Office Word, Salesforce, Github, SPSS, Matlab
Languages: Greek (native), English (ECPE), German (B2), Spanish

EXTRACURRICULAR ACTIVITIES AND AWARDS

Member of "Ennovation" competition

February 2024 – June 2024

- Took place in a competition with an idea of creating an app that integrates IoT technology in order to help with epileptic seizures.
- Close collaboration with my team so as to create the MVP of our idea, using Figma and Arduino.

Member of school orchestra

Sept 2018 – June 2020

- Performed with the orchestra of "Pierce - The American College of Greece" as a violin player for three years, adhering to the selection of the music pieces perfomed.
- During my years in the orchestra we managed to win first place in a national school competition (Karditsa 2019).

Member of school Business Game

Sept 2018 – May 2019

- Member of "Pierce - The American College of Greece"'s business game where we were split into groups, given business scenarios and had to propose strategy ideas through analyses.
- Requiring good teamwork and communication while trying to navigate in a business-like and fast-paced environment.

Volunteer, Pierce - The American College of Greece

Sept 2018 – Oct 2019

- Volunteered in beach clean-ups and reforestation efforts.
- Collaborated with nonprofit organizations to promote environmental awareness with organizing educational workshops during school hours.
